

# Mid-Year Review and Outlook for U.S. Insurers

**Anu R. Ganti, CFA**  
Senior Director, Index Investment Strategy  
S&P Dow Jones Indices

Anu R. Ganti is Senior Director, Index Investment Strategy at S&P Dow Jones Indices (S&P DJI). The index investment strategy team provides research and commentary on the entire S&P DJI product set, including U.S. and global equities, commodities, fixed income, and economic indices.

Prior to joining S&P DJI, Anu worked in the asset management space, completing a post-MBA rotational program at Russell Investments and working as a portfolio manager focusing on emerging market equities at Parametric Portfolio Associates (subsidiary of Eaton Vance).

Anu is a CFA charterholder and holds an MBA in finance and economics from Columbia Business School, and a bachelor's degree in finance and marketing from NYU's Stern School of Business.

**Raghu Ramachandran**  
Head of Insurance Asset Channel  
S&P Dow Jones Indices

Raghu Ramachandran is Head of Insurance Asset Channel at S&P Dow Jones Indices (S&P DJI). In this role, he is responsible for applying S&P DJI resources to solve problems for insurance companies. Raghu works on how indices are used to create innovative products for insurance companies, benchmarking general account portfolios and the use of ETFs by insurance companies.

Prior to joining S&P DJI, Raghu was CIO at a P&C and a Life insurance company. Prior to working at insurance companies, Raghu was an insurance portfolio manager and head of the portfolio strategy group for Brown Brothers Harriman & Co. Previously, Raghu also worked at Tillinghast (now Willis Towers Watson), developing stochastic modeling tools. He has extensive experience in portfolio and liquidity management, portfolio strategy, hedging, product development, and stochastic modelling.

Raghu regularly writes and speaks about investment issues related to insurance. Raghu publishes a yearly analysis of ETF usage by insurance companies. In 2019 and 2018, the paper received the "Best ETFs Paper" award from Savvy Investor, and in 2017, the paper received a "Highly Commended" award in the same category. His co-authored paper "Variable Annuity Volatility Management: An Era of Risk-Control" has been included in syllabi for two different Society of Actuaries exams.

Raghu has a bachelor's degree in physics and a bachelor's degree in astronomy from the University of Texas at Austin.
