

SPIVA at 20: Is Passive Still Winning in Today's Volatile Markets?

Tim Edwards, Ph.D.

**Managing Director, Global Head of Index Investment Strategy
S&P Dow Jones Indices**

Tim Edwards is Managing Director and Global Head of Index Investment Strategy at S&P Dow Jones Indices (S&P DJI). The group provides research and commentary on S&P DJI's entire product set, including U.S. and global equities, commodities, fixed income and economic indices.

Prior to joining S&P DJI in 2013, Tim worked for Barclays Capital, initially within fund-linked derivatives and subsequently in exchange-traded products and index-linked derivatives. Prior to that, he worked at the Royal Institution of Great Britain.

Tim holds a Ph.D. in pure mathematics from University College London.

Robin Wigglesworth

**Global Finance Correspondent
Financial Times**

Robin Wigglesworth is the editor of Alphaville, the FT's financial blog, and the author of Trillions, a book on the past, present and future of passive investing and how it is reshaping financial markets.

From Oslo, Norway he leads a team of writers in London and New York that dig into anything deeply nerdy or plain delightful that they spot in markets, business or the global economy. Previously, Robin was the FT's global finance correspondent, US markets editor, deputy head of fastFT, capital markets correspondent, and Gulf correspondent. He joined the FT from Bloomberg News in 2008, where he covered Nordic economics.
